## How to Organize a Tehillim Group

Much has been written and said about the potency of our Tefilos. Groups in such places as Passaic, New Jersey, Oak Park, Michigan, and Monsey, New York, have, B"H, seen incredible results in terms of the number of Shidduchim made through this means.

We urge **YOU** to organize groups of eighteen singles to daven on behalf of one another. Each single should be provided with a copy of the Tehillim Form. The organizer is responsible for amending the list every time there is a Choson/Kallah.

*L'Chaim* eagerly awaits feedback as to the success of this project. To notify *L'Chaim* of the establishment of your Tehillim group and to provide periodic updates that result in Shidduchim, please contact us at:

Looking forward to hearing from you!

## Tehillim Form

Thank you for committing yourself to be a participant in a L'Chaim Tehillim group. Sefer Tehillim has been divided into 18 sections to be recited by 18 singles or their sponsors. Each week YOU are responsible for reciting those 'Kapitluch' that have been assigned to you by your group organizer, as a 'Zechus' for finding a Shidduch for all those singles on the list.

The group will, IY"Y, complete 'Sefer Tehillim' over the course of each week. This means that YOU are responsible for reciting your designated 'Kapitluch' at any time of the week before 'Shkiyah'. After saying Tehillim, you should read the Hebrew names of all the singles listed. Please note that on Shabbos the names of the singles should be omitted. In the 'Zechus' of Dovid HaMelech' and your Tefilos, may each single find his/her 'Zivug B'Karov'!

The following is the list of singles participating in this Tehillim group, along with the 'Perakim' they have been assigned:
